

Letter of reference

12/08/2024

To whom it may concern,

I am writing this letter to recommend Ultimate Cuttingshop.

My Name is Mike Korzeniewski, Senior Project Manager for Arvida Construction. We are building a \$200 Million+ retirement village community. Consisting of over 200 Houses and commercial buildings (Clubhouse, Care & recreation center).

In my opinion Ultimate Cuttingshop exceeded all our company expectations.

Ultimate Cuttingshop were exceptionally responsive to all our requests and were able to interpret the most complex instructions. Ultimate Cuttingshop never wavered when extremely hard situations came about, and worked above and beyond to achieve all the target dates no matter what obstacles came into play.

Ultimate Cuttingshop has thus far completed 3 phases of the 9 as the project progresses. Also, the Clubhouse Internal joinery and Bar works have been amazing. The focal point of the Clubhouse bar constantly is talked about and highly revered by the residents and the Client. So, a great testament to Ultimate Cuttingshop.

Their professionalism and workmanship were of the highest standards throughout our project thus far.

To the above, I highly recommend Ultimate Cuttingshop for any type of project they may be contracting for.

If you have any further questions, please feel free to contact me at any time.

Yours Sincerely,

Mike Korzeniewski
